

RELEASE FROM LIABILITY

Dear valued Customer.

From time to time, our Customers request of us assistance in and about the loading of their vehicle with and the securing of merchandise purchased from us.

We have and will continue to happily assist.

In doing so however the law in relation to vehicles with a fully laden weight capacity of 4.5 tonnes is not regulated by the law as is the case with large capacity vehicles (“unregulated vehicles”).

As such, we expose ourselves to liability arising from us assisting you loading and/or securing the merchandise that you have purchased from us in, on or about your unregulated vehicle.

In order for us to be able to continue to assist you, we have no alternative but to seek to limit our liability to you for doing as not doing this will preclude us from keeping our prices as low as we can.

We assure that in response, we have taken steps to embark on a program of intensive training of our staff in loading and securing the merchandise purchased from our stores in, on or about your vehicle and you can be assured that if requested by you to do so, your merchandise shall be loaded in or on your vehicle and shall be secured by us in compliance with all applicable standards relating to the lawful and proper loading and securing of your merchandise which will minimise any damage or loss to you and/or risk to your safety or welfare.

By signing this release and discharge, you acknowledge and agree that we will have no liability to you for any loss or damage suffered and/or expense incurred by you in and about the placing and/or securing of your merchandise by us in your vehicle.

You also acknowledge and agree that this release may be pleaded in bar of any action, proceeding, claim, demand or suchlike that may be brought by or on behalf of you against us with respect to any loss or damage suffered and/or expense incurred howsoever or wheresoever arising.
